With

“Godparents Youth Organization”

Top Ladies of Distinction, Inc., Area VI is partnering with the **Godparents Youth Organization**, a community based organization sponsored primarily by the community. This organization was founded by public school bus drivers who wanted to make a difference in the lives of at-risk youth in the inner city by providing workshops including tutoring, etiquette training, and mentoring and community service. The goal is to motivate youth to improve their self-esteem, raise their grade point average from a 2.5 to at least 3.0 when the goals are reached, participants are “celebrated” by touring the United States by bus for thirty days with the “Travel Men-touring” incentive program, while providing community service in target cities. Ladies and Lords are asked to donate money for self improvement books and neck travel pillows.

The donations will be presented to the Founder/CEO at the Public Luncheon on Saturday November 21, 2009.
