**Greetings Ladies, Teens and Lords of Area VI
and Invited Guests!!**

As we prepare to convene for the 29th Area VI Conference in Garden Grove, California, I am excited about our upcoming conference and energized by the thoughts of seeing all of you in the land of Mickey and Minnie Mouse—Disneyland. The Conference Planning Committee, Inglewood Chapter and Area VI Executive Board, have plans underway to provide outstanding programming and activities for all of us to take part in. We are busy making sure that our time together is memorable!

Ladies, Teens and Lords, come to the Conference ready to listen, learn and enjoy. Be ready to listen to the dynamic presentations and keynotes that will be delivered by our national leaders as well as our own Area VI Ladies; to learn how to strengthen your chapter's programs and make them even more extraordinary; and be ready to enjoy the networking and fellowship with one another as well as some exceptional entertaining activities. This conference is equipped with interactive and functional workshops and a great community service project for our Teens.

Don't be left out, register now to reserve your seat for this dynamic conference!

We anticipate an "enchancing TLOD/TTA" good time!

Lady Ellen
