August 18, 2009

Greetings Area VI Top Ladies

We are excited to have the Inglewood Chapter host our 2009 Leadership Conference. They have carefully made creative and informative plans to entertain Area VI Ladies, Teens and Lords and special guest. We will gather at the luxurious Hyatt Regency Orange County Hotel, 11999 Harbor Boulevard, Garden Grove, CA 92840, on November 19th through 22nd to participate in the Area VI 29th Leadership Conference.

The Inglewood Chapter has utilized creativity, prior knowledge, collective responsibility and enthusiasm in making plans for a productive conference. We are looking forward to the positive interaction between the Ladies, Teens and Lords throughout the conference as we work together and strive to strengthen the service to the communities that we serve.

Enclosed you will find all necessary information, including registration forms for “Early Bird” Registration, along with other pertinent materials. In a concrete way, we are directly responsible to others. We must realize that the presence of each of you will ensure that our Leadership Conference is a total success, and we will accomplish our goals for 2009-2010.

We must make it a priority to stay committed as well as spiritually and socially accountable to Area VI. When we live up to our personal responsibilities, we strengthen our family and the community that we serve. We are examples of quiet heroism to all around us.

I am eagerly looking to seeing each of you, as we work together to keep Area VI the “GEM” that it has become.

Gratefully yours.

Lady Alna L. Brown
Area VI Director
